

# JDC Area 33 Day August 2016 – Hyde Hall

---

This was our first year for Area 33 Day at Hyde Hall and I think it was a great success. Weather was kind to us, despite early morning rain for some in North Essex, but overall the day turned out fine. In addition to Area 33 Club members and cars we had invited Car Clubs from within Essex to boost numbers to make it a “big show” for Hyde Hall; these included JDC Area 29, JEC Thameside, Porsche GB, AngleMog Morgan’s and the Austin Seven Club making a total of 102 cars with 200 people, a great turn out!

Hyde Hall offered us two free entry tickets per car plus a 20% discount on food and drinks at their outlets; this was certainly a bonus!

We have the offer from Hyde Hall to repeat it again next year and to make it even bigger; the committee will be looking at various dates and options for discussion.
