

Area 33 – Sunday Lunch – November 25th, 2018
The Castle, Great Leighs
Meet at 12.00 for 12.30

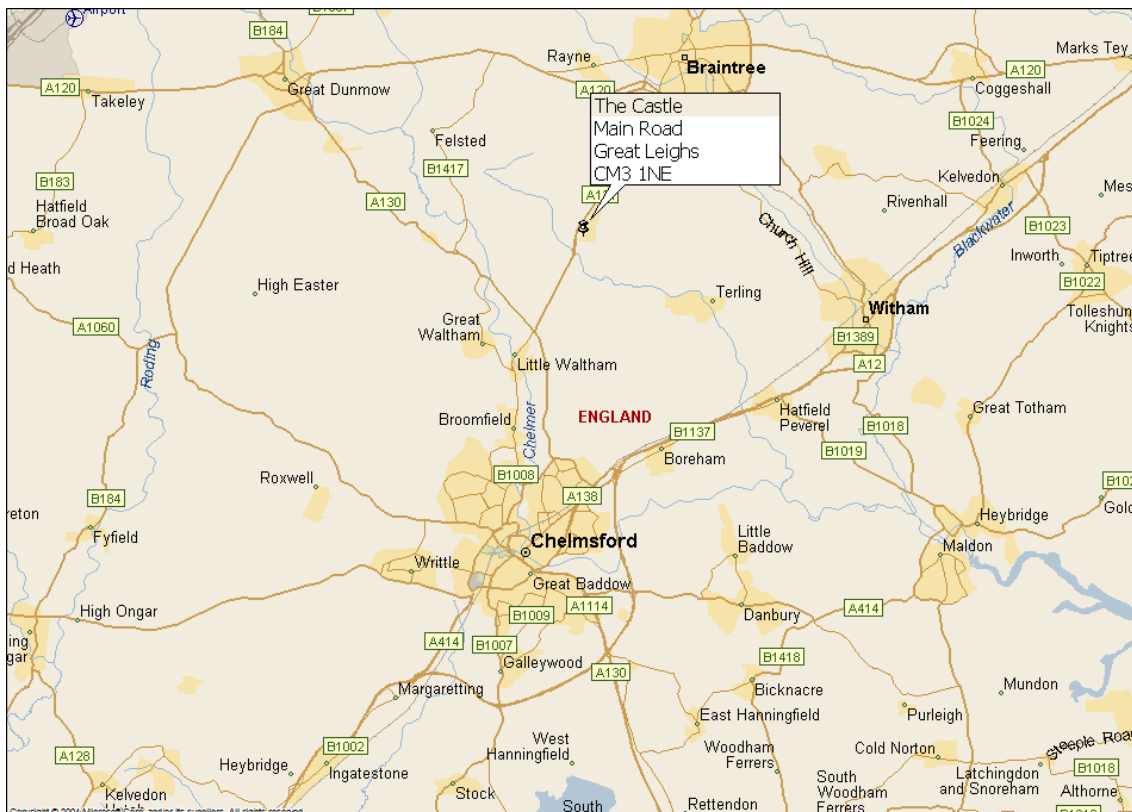

The Castle
Main Road
Great Leighs
CM3 1NE

Compared to The Wooden Fender, the last Sunday Lunch of 2018 is a little nearer home at The Castle, Great Leighs.

Oh, No, do we have to cook Sunday Lunch after this.....

The Castle has stood on this site for hundreds of years and is reportedly steeped in spooky local legends; these tales tell of spirits haunting the pub and grounds of The Castle, including the witch that was burnt at the stake at Scrapfaggots Green... Well, let's just hope we get a decent Sunday Lunch, none of this burnt stuff!
Two courses £20.95; three courses £25.95.
