

Area 33 Sunday Lunch – November - The Castle, Great Leighs

What a nice find for Sunday Lunch. Our last of the year was very well supported with 18 attending including, Tony & Sian; Peter & Brenda; Norman & Irene; Pam & Ron; Tony & Anthea; Roger & Jan; Gareth & Coral; Howard; Paul and Eric & Linda.

Fortunately the weather gave us a break from the previous days cold and wet enabling a pleasant run out in our Jaguars, not top down weather but it was November!

The Castle is a well-appointed gastro pub with an extensive menu to select from and included “smaller plate” options which some choose and after the mains, a few others wished they had! The Leigh on Sea Cockle Popcorn was a popular and very nice unusual starter plus Whitebait or

Soup as required. Roast Pork, Roast Chicken, Pie of the Day, Confit of Duck and Fish & Chips confirmed the variety of Sunday meals.

In summary, an excellent meal amongst good friends and a venue to be repeated next year.

A Merry Christmas to everyone.
