

Area 33 – Sunday Lunch, September - The Maybush, Waldringfield

Fortune favours the bold as the saying goes; (OK I didn't use the Latin phrase!). So it was that eight Area 33 members, Geoff & Tracey; Roger & Jan; Paul P; Tony T; and Eric & Linda, braved the uncertain weather conditions for a run up the A12 to Waldringfield and The Maybush Inn.

Eric, Roger, Geoff & Paul's cars parked prettily!

And Tony's!

It's a while since we visited The Maybush; and I believe only Tony and Eric & Linda had been on previous Sunday Lunches to this venue; so it was a really enjoyable surprise to the others judging from their comments.

The Maybush sits alongside the river Deben and on good days, and this was one, is often pretty crowded, so booking is essential. As a party of eight we were booked in the conservatory area and benefitted from attentive waitresses on hand throughout.

The extensive chalk board specials together with a full printed menu made choices difficult but starters of Whitebait, Prawn Cocktail, Goats Cheese & Beet and Soup of the Day wetted our appetites for mains.

These included Roasts of Lamb or Beef, Fish of the day, Cold Seafood platter, Seabass and Crab salad. Large plates as well! We were happy eaters.

A few of us just had to endure the desserts of Crème Brûlée, Chocolate Brownie, Lemon Tart, Cheesecake and Pavlova, whilst others went for a sobering coffee. Another excellent meal, fine food and good company. See you next time.
