

Area 33 – Sunday Lunch – October - The Castle @ Great Leighs

Another fine Area 33 Sunday Lunch and due to numbers the Castle & I had to turn people away, sorry about that!

It took Linda & I some time getting there, and unfortunately Martin & Val didn't; due to traffic snarled up at the Hawk Hill/Rettendon Turnpike roundabouts. We heard it was Marsh Farms Halloween Festival with free pumpkins for every child; I saw over 4000 registered on their FB page to attend! Those who were north of the traffic problem were already sitting nicely at our reserved table including Sian & Tony, Pam & Ron, Tony & Anthea, Geoff & Tracy, and Peter & Brenda as Terry & Caroline, Tony & Anthea, Eric & Linda and Robert arrived. Waitress attendance was excellent & various starters of Chicken Pate, Prawn Cocktail, Whitebait and Cockle Popcorn were soon served.

The Castle is known for ample servings and quite a few choose the small plate options, but overall main courses of Roast Pork, Sausage & Mash, Roast Chicken, Fish & Chips and Skate Wing delighted everyone.

Table chatter abounds as always and Boris & Brexit never got mentioned! How about that!

Our last Sunday Lunch in December is to The Crown, Little Walden, so if you want to attend book early with me. See you there, maybe!

Please advise your attendance at the next Club meeting or telephone me on
