

Area 33 – Sunday Lunch – November - The Crown Inn, Little Walden

We had 19 attendees on a dismally wet day to attend our last Sunday Lunch of 2019 at The Crown Inn. But we had another great pub meal!

It was a bit of a long drive out through Essex for some of us, but a cosy welcome met us despite a crowded car park, an indication of the venues popularity; fortunately we had a table booked as the place was just heaving after we arrived.

To save words I'll show a selection of pictures kindly taken by Geoff during the day.

and finally Paul clearly enjoying the food!

We have a very full Sunday Lunch calendar for 2020 so don't leave it late for booking next time!

Merry Christmas to All.
