AREA 29 17th MAY PIE & PINT NIGHT DETAILS
Starting from outside the old Marquis of Cornwallis Pub at 6.30PM

Dear Member

Our Pie & Pint Run is planned to go to the Horse and Groom in Cornish Hall End, just over the border into north Essex. The date, which you should already know is Wednesday 17th May and we plan to start from the location shown below at 6.30PM sharp, so we are there earlier than previously planned to have an evening meal from 7.30pm. Please be at the start just a few minutes before 6.30pm, to be ready to leave sharp at that time.

The starting point is from Chedburgh on the A143 south of Bury St Edmunds. The small plan below shows the starting location, which is just off the A143, basically opposite what used to be the village Pub - the Marquis of Cornwallis - but unfortunately is no more; but do not fear – we finish at a working Pub.

MEETING POINT

Our Meeting point is the short stretch of local road shown here and you should approach from the junction with A143 to the east, so turn right off the A143 if coming from Bury, if coming from Haverhill or the south then go past the local road we will be on and turn left off A143 and then round to park opposite the old pub, facing SW.

We aim to finish the run sometime soon after 7.15PM, for food to be served from 7.30PM, at the **Horse & Groom, Cornish Hall End**.

The choice of Pies will be:
1. Steak and Ale
2. Steak and Kidney
3. Chicken. Ham and Leek
4. Pork and Apple

The cost of the meal will be £12.95 and drinks are extra(tips are not included).
Please contact Michael Hampton with your choice of pie - probably by phone, text or email (phone preferred if they can get through) 01284 834933, text message to 0770 9909960 or email mandshampton2000@gmail.com

Choice of pies must be passed to Michael no later than lunchtime on Saturday 13th May so that the venue can be informed of numbers wishing to eat.

However, if you do not want to eat you could still join the Drive but just have a drink (with or without a snack such as Crisps) or turn for home when we get to the Horse and Groom. So having a meal is sociable but not essential.

NOTE: Some of the roads are narrow so please take care as you will not find it convenient or safe to travel on some sections at any great speed.
